

RODRIGO

8 YEARS OLD INFO TECH / VIDEO EDITOR

ABOUT ME

I had an experience at big companies, which gave me experience in Video Editing, Digital Marketing, Social Media Management, and Graphics design. I also had an experience in FB ads Management and Custom Audiences.

My goal is to utilize my skills to develop a successful video editor and use my social media strategies for companies, brands, and organizations by engaging their target markets through relevant content that builds awareness and increases traffic.
