GRAPHIC DESIGNER/ DRAFTSMAN

Experienced and detail-oriented Draftsman and Engineering Aide specializing in technical drafting for public buildings and national highways. Highly skilled in producing precise, high-quality technical drawings that meet engineering and architectural standards.

Graphic Designer with 5+ years of expertise in eBook design, digital marketing materials, and invitations. Proficient in creating professional eBook and workbook designs for Amazon Kindle, as well as engaging social media graphics and promotional content. Adept at enhancing photos, crafting visually compelling layouts, and delivering polished designs that align with brand identity and drive audience engagement.
